Dear RCHS Community Supporter,

Although the Rock Canyon HS Band program is fairly new on the scene as part of one of the newest high schools in Douglas County, it has already established a history of excellence.

RC Symphonic Bands have earned superior ratings at CHSAA events since 2006; Jazz Bands have earned high ratings in Jazz festivals; numerous students have been selected for All-State bands and Continental League Bands; and the Marching Jags and Color Guard have performed at State Championships 4 times - as well as traveled to perform at the Holiday Bowl and the Alamo Bowl.

District funding for Arts programs is limited, so the Band Program depends on the generosity of the community to support travel, entry fees, music, uniforms, instruments & repairs, instructors, and the multitude of other expenses that are required to run a superior band program.

We've created a great way to showcase your business while supporting our band program. Participation in our sponsor program will expose your business to the desirable and upscale community at and surrounding Rock Canyon High School in Highlands Ranch and the Castle Pines and Castle Pines Village areas. The Rock Canyon Band Booster organization is a non-profit 501 (C) (3) corporation and donations may be tax deductible.

Corporate Sponsorship has four levels of participation, as detailed below.
